

## **CITB The Health and Safety Awareness Course ( 1 Day)**

This course highlights potential hazards when working on site and provides practical advice on keeping the candidate and his/her colleagues safe. It covers the individual and employer's responsibilities, including what the candidate can and should do if they think anyone's health and safety is being put at risk.

This course provides health and safety awareness and is endorsed by Build UK as standard training for all operatives on site:

- The need to prevent accidents
- Health and safety law
- How your role fits into the control and management of the site
- Risk assessments and method statements
- Performing safely and asking for advice
- How to report unsafe acts to prevent an accident

Certification for this course is valid for 5 years, and satisfies the requirement of the awareness criteria for the CSCS (Green) Labourers Card.

To remain certified in this area, you will need to retake the course before the expiry date.

Course duration – 1 day

Min Class Size – 6 (less than 6 applicants and the course will be cancelled 5 days before the due date)

Max Class size - 20

Price Guide per Person - £85 p.
